

HealthTrust Verified Professional Fees

As of December 2023, the following fees are in effect. Fees are annual for each Verified Professional.

Tier Definition and Fee	Examples https://vproverified.com/resource-documents/
Tier 1 (\$185) - non-employee provides only non-clinical services and requires access to a safety- or security-sensitive area(s)	<ul style="list-style-type: none">• Biomed Tech• Field Service Tech• Greeter
Tier 2 (\$290) - affecting <u>patient care</u> , <u>treatment</u> or <u>services</u>	<ul style="list-style-type: none">• Supplier Rep• Interpreter• Certified Sonographer• Community Liaison
Tier 3 (\$290) - affecting <u>patient care</u> , <u>treatment</u> or <u>services</u> that require oversight by the medical staff and administration	<ul style="list-style-type: none">• Dental Assistant• Nuclear Physicist• Cert. Surgical Asst.

Tiering has nothing to do with physical proximity to a patient. The Verified process/policy applies very broadly to anyone providing patient care, or patient treatment, or patient services – included in this definition is anyone who provides a service that would directly impact a patient’s safety or quality of care.

Fees are annual per Verified Professional with unlimited approved access by facility
